Children’s Museum of Pittsburgh Hosts Successful Virtual Gala with Help From Stars of Stage, Screen, and Sport

Great Night In Family Gala 2020, presented by Hefren – Tillotson, raises more than $245,000 and counting for Children’s Museum of Pittsburgh and MuseumLab

Pittsburgh, PA (June 30, 2020) -- Great Night In Family Gala 2020, presented by Hefren – Tillotson, took place Sunday, June 14th at 6:30 pm. It is available to view here: https://www.youtube.com/watch?v=R8rAO6_M5Z0&t=2473s. This was the first virtual celebration hosted by a Pittsburgh traditional cultural institution during COVID-19.

The show celebrated the best of the Children’s Museum’s arts and joyful experiences, featuring celebrity appearances and local youth and student performers. We were thrilled to have stars of Hollywood and Broadway, prominent Pittsburgh athletes and coaches, famous children’s book artists, and very talented local youth performers all contributing to the program. The show also included messages of love and kindness, with a focus on how children can process all of the recent events impacting our lives.

The Gala’s online auction ran for one week after the live show, where you could bid on over 50 amazing items, including entertainment, sports, food and drink, art, and travel packages. This year’s premiere auction items included tickets to Hamilton, personalized art from children’s book author and illustrator Mo Willems, and a custom trip to the Indianapolis 500.

It isn’t too late to donate and support a great cause. Thanks to a giving challenge from the Museum’s Board Vice President and her family, all gifts to the Museum made through June 30 will be matched, up to $15,000. Please consider making a gift now. The entertainment program has had thousands of views and will remain available to the public on Children’s Museum of Pittsburgh’s website and social media pages.

Advance ticket buyers also had a special delivery for this evening of family friendly entertainment – a delicious, locally-sourced spaghetti dinner delivered to their home. Each spaghetti dinner box included:

- **Boxed pasta, homemade sauce and meatballs from Legends Eatery**
- **A specialty loaf from BreadWorks**
• A specially selected bottle of red wine from Engine House 25 Wines
• Custom made cookies from Priory Fine Pastries.

The Museum also delivered more than 300 dinner boxes to community families experiencing food insecurity on June 6, through our partners Providence Connections Family Support Center and Manchester Academic Charter School. This was made possible through the generous support of PNC.

All of the food was sourced from the Museum’s neighborhood to support local businesses while they are closed or operating at reduced capacity. We thank Legends Eatery, BreadWorks, and Priory Fine Pastries for their partnership and support in providing meals to food insecure families, as well as more than 25 volunteer drivers who delivered the food.

Our focus for the event was to provide a fun, family friendly evening of food and entertainment in support of Children’s Museum of Pittsburgh. However, as the latest developments around COVID-19, social issues, and race are so dramatically impacting our community and nation, we also encouraged a conversation on these pressing topics. Specifically the Gala program addressed - and enables parents and children to have heartfelt discussions about - the killing of George Floyd and resulting events impacting our city, region, nation, and beyond.

Our mission calls on us to inspire joy, creativity, and curiosity - and - to be a partner and resource for those who work with or on behalf of children, youth, and families. To better achieve that goal, we have begun to compile resources and guides for how parents can talk to their children about race and equity here: https://pittsburghkids.org/education/talking-to-children-about-tragic-events.

The funds we raise through this event will provide free virtual programming for low income families, build amazing exhibits, and create programs that welcome people of all ages and abilities into the Children’s Museum and MuseumLab (digitally and in person).

All proceeds support the Children’s Museum and MuseumLab, neighborhood businesses and many families in the North Side experiencing food insecurity.

The Great Night In Family Gala supports Children’s Museum of Pittsburgh and MuseumLab, which are dedicated to providing innovative experiences inspiring joy, creativity and curiosity, and serving as a partner and resource for people who work with or on behalf of children, youth and families.
